September 22, 2022

Dear Patient,

I need to share some important information with you. I will be out of the office for the month of October 2022 as I deal with an urgent family health issue.

I am pleased that I have been able to secure the services of Dr Evan Llewellyn to act as my locum during this absence. Of note, he is a graduate of the University of Western Ontario, as am I. I know that I leave the practise in skilled hands. His first day in the office will be Tuesday, October 4, 2022.

He will be in the office Tuesday – Friday, 9:00 – 5:00, and 2:00 – 8:00 PM every other Thursday. I know that he will be well supported by my reception and nursing staff.

These have been challenging times for all of us. I trust that you and your family remain well.

I look forward to returning to the office November 1, 2022.

Sincerely,

G Stephen Duncan, MD, CCFP, FCFP
